Child & School Initiative

SUMMER 2024 UPDATE

Now to Him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to Him be glory ...

(Ephesians 3:20-21)

Through God’s faithfulness and power, the Africa Child & School Initiative continues to gain momentum across the continent. Every week, more than **2 million boys and girls in African public schools** hear the truth of Scripture, practice the important discipline of prayer and gather around a game circle. And because of the students’ exposure to biblical lessons, there are reports of positive, lasting impacts:

- Children experiencing Awana in African public schools have reported that they are 45% more likely to invite a friend to church.
- 95% of kids who participate in Awana school programs have a supportive adult in their lives!

Praise God for exceeding all expectations and for the work He is doing in the hearts of each of those children through the ministry of Awana.

Moments of Breakthrough

- In Zimbabwe, **720 additional schools have been trained** in the past three months alone to begin implementing Awana into their daily curriculum!
- With help from our partnership with Edify, we have the opportunity to **reach 1,000 more schools in Nigeria!**
- Despite only a few months since Awana began through local churches in the Central African Republic, **more than 60 schools have already started clubs!**

“Through [Awana], I learned that we need to be born again in Christ. God has a good plan for us. He wants us to be with Him so He gives us an invitation. Because of that invitation, Jesus Christ came to the earth to die for us so that we can be saved. So, through the discipleship class, I’m genuinely changed.”

Bring Bible Engagement to an African School!

Partner with Awana to provide biblical resources and leader training to the remaining 5,000 primary schools in Zimbabwe within the next year. A one-time gift of \$650 (or \$54/month) equips a school with Awana materials for life. We need \$3.25 million to achieve this. How many schools can you, your family, and your congregation reach with the Gospel?
