GOD'S WORD IN AFRICAN SCHOOLS

The Time is Now

Kids Reached with Awana in African Schools

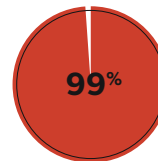

"Awana has helped me read, memorize and meditate on the Word of God. I can now share the Word of God with my friends and invite them to Awana."

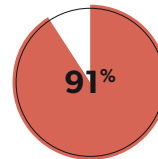

Prince, Awana Student

An Unprecedented Opportunity to Share the Gospel

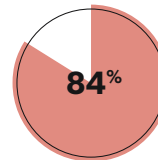

Our study with Excellence in Giving™ revealed some of the miracles unfolding through the Africa Child & School Initiative:

99% of the children experiencing Awana are excited to attend church

91% of the children have accepted Christ as their Savior

84% of the children have invited someone to church

And we know God is far from finished.

We give Him our praises every day for opening unexpected doors, for the leaders and partners He places in our mission path, and for the beautiful hearts of the children growing closer to Him through the ministry of Awana.

2,204,384 children hear the biblical truth every week in African public schools!

Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person.

(Colossians 4:5-6)

577 schools are waiting on Awana! Can you help?

In Zimbabwe we've set a goal to bring biblical curriculum into **600 more schools this fiscal year!** We've only just begun and we still have 577 schools to go; \$375,000 will help us reach them all. The doors are open. Let's walk through them together and share the Gospel.

Would you prayerfully consider joining us to help Zimbabwean boys and girls learn about Jesus in their classrooms this school year? A gift of \$54/month to the Africa Child & School Initiative will provide teacher training and equip a whole school with Awana curriculum materials.

We are, as ever, grateful and humbled to do this kingdom work with you. Thousands of children will learn where their salvation comes from — and the good news will spread.
