

# Time Rubric Evaluation

Evaluate your time by listing everything you do from 8 a.m. to 8 p.m. every day of the week. Then note the five activities that take the most time, five activities that impact child discipleship and five activities you'd like to engage in to be better at child discipleship. For further information and instruction, refer to *The Faith of Our Children* Chapter 5 course on [ChildDiscipleship.com](http://ChildDiscipleship.com)
