## CREATION

God created *you* in His image, something we call the *Imago Dei*. People are different from every other part of God's creation because we have been given special gifts and abilities that reflect His glory. One of those gifts is the ability to create!

### INSTRUCTIONS

1. Think about the true story of creation recorded in Genesis 1.
2. Picture one of your favorite things God created. It could be an animal, a special flower, a season or place in His beautiful world.
3. Using craft supplies you have at home, create a model, painting or drawing that reflects your favorite part of God's creation.
